ACCU Conference April 2012

# You will need...

(Really easy stuff)

# You will need...

(Pretty easy stuff)

# You will need...

(Harder stuff)

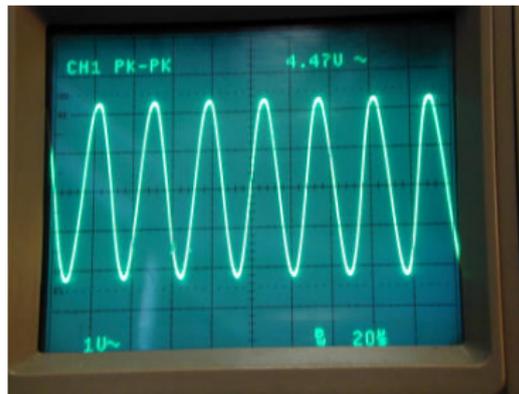

# You will need. . .

(Really hard stuff)

You DON'T need...

# Tips

- Hold social planning meetings
- How about a conference retrospective?
- Hold lightning talk evenings!
- A backup person with a bank of talks is nice
- If someone is presenting at conference, get them to practice their talk for you
- Contacts in local large developer organisations are useful
- A website and online calendar is good
- Be prepared to put in a little money
- It will take time

**If not you, then who?**
